Eco Tech Solution

<https://www.ecotechsolutions.in/>

We are the authorized distributor for **LOVATO GAS SpA, ITALY** make LPG/CNG gas conversion kit for 4 wheeler and 3 wheeler. Our team is the biggest asset and acts as strength for us.

About Us

We **Eco Tech Solution** established in the year **2002** are the leading distributors, retailer, wholesaler, supplier & trader for Bosch Pressure Washers. Our offered products are includes Bosch Pressure Washers, Bosch Car Washer & Bosch Electric Lawn Mower. It goes without saying that superior quality products fetch higher client satisfaction and thus, long term success for a company. Leveraging on our strategic contacts with renowned vendors, coupled with an in-depth understanding of the industry, we have been successful in fulfilling the requirements of the clients. We take into account the varied needs and requirements of our clients and offer the products accordingly. Further, our sales and marketing personnel conduct intensive market studies and surveys. Thus, they are able to determine the demand and marketability of all our products. Being highly economical and cost effective, these products have created a huge wave of popularity in the market segments. We offer all these products at industry leading prices to suit the budget requirements of our huge client base. Owing to these factors, we have gained a good position in the industry. Our company is galloping towards high success under the able guidance and leadership of our mentor, **Mr. Saravanan K. (Proprietor)**. He is instrumental in making us understand the goals and objectives of the company and perform to fulfill the same.
